## Student of the Month

OCTOBER 2010

### TYLER ANTHONY DILTS

Tyler Dilts is the son of Edgar and Vera Dilts. He is a 12 year old 6th grader who attends Jewett Academy Middle School. Tyler came to Winter Haven Budokai 3 months ago in search of the art of Karate. His favorite thing about karate is the katas, in which he already has learned 7 of, sparring and martial arts techniques. His hobbies include football, karate and reading. Tyler's artwork was accepted into the Polk Museum of Art last year and he was featured in a local magazine for it. Tyler's determination to learn to the best of his ability coupled with his love for martial arts makes him an asset to our school. His positive attitude will see that he goes far in whatever he does in life.
